

GENIUS 1700 Vario
with bail handle

GENIUS 1700 Vario
with side handle

**Opposite service ports
for easy change of the carbon brushes!**

Brief description:

Most powerful model of our compact design.
Professional angle polisher with high power reserves even at low speeds.
Available with side handle or bail handle for powerful continuous use.

Special features:

- Bail handle and ergonomic rear handle for safe and comfortable work.
- Aluminium end shield with excellent heat dissipation.
- Soft start and electronics for constant speed even under load.
- Temperature-dependent overload protection.
- Spindle lock for easy tool changes.
- Speed range designed for stone polishing with infinitely variable speed regulation.
- 2 service ports for easy replacements of the carbon brushes.
- Wear-resistant and unbreakable silicone power cable in signal colour (clearly visible).
- Special requests (e.g. for longer connecting cables) can be considered.
- Repair service for all of our machines.

Application:

Dry polisher for natural or artificial stone processing. Especially suitable for stonemasons, sculptors, restorers, tilers, renovators, floor renovators, etc.
